

## Parent in Attendance Duty

It is in the best interest of the Swimmer and a requirement by Swim Ireland to have a Parent in Attendance for all swim sessions.

### Role of the Parent in Attendance

1. The PIA schedule is distributed via wats app.
2. Arrive 10 minutes before the session to liase with the head coach and obtain the record book.
3. Document a headcount of swimmers.
4. Document any swimmers leaving early noting their name and time of early departure.
5. Return the record book to the head coach before departure.
6. If you are not available to attend on your scheduled PIA date, please arrange to swap day/date with a parent on the schedule.

Your cooperation is greatly appreciated.
